February 20, 2014

Dear Parents,

Perhaps we are over all the snow for this year OR maybe Mother Nature is just taking a breather, but let us enjoy the milder weather for a time.

I have attached two letters concerning winter weather issues. One concerns answers to questions that some parents have raised about Distance Learning and the other concerns the school roof. Please be sure to read both thoroughly so that you are informed on these issues.

As we get closer to the final part of the school year, I ask you to consider volunteering to serve on the Executive Board of the HSA next year. We will be in need of new leadership as three of our officers will be leaving and the office of President, Vice President, and Treasurer will be open. In a few weeks I will be sending out notices asking you to nominate parents whom you feel should be considered for those positions. You may also nominate yourselves. Please also read the attached notice in this mailing on volunteering for other positions which need to be filled.

Congratulations are in order for some of our students here at St. Stan’s. The third and fourth grade girls’ basketball team won 1st place in the St. Bart’s tournament last weekend and Madison St. Rose was chosen as MVP. Great job, girls!

In addition, the following students received the top 4 places in the Knights of Columbus Substance Abuse Poster Contest, Caitlyn Hochron, Amanda Dembowski, Nawal Panjwani, and Jessica Kerekes. Congratulations!

A reminder that Lent will begin on Ash Wednesday, March 5, with a school mass at 9:00 AM at which time ashes will be distributed. Please join us.

Terra Nova testing will be held the week of March 10th. Please be sure that your children eat a good breakfast and get plenty of sleep in preparation for the testing. Do not schedule any outside appointments or vacations at that time as students may make up tests only if they are out sick on days of the testing.

Enjoy the warm weather... it may not last long!

Regards,
Mrs. Patricia Graham
