"The hour has come for the Son of Man to be glorified. I tell you the truth, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds. "
John 12:23-24

Dear St. Stan's Families:

We have reached another milestone in the school year...Easter break. This year has been a joyful and successful one thus far. As we head off to celebrate the most precious of holidays I wanted to take a moment and wish all of you a blessed and happy Easter.

When we return from break on April 13th there is a whirlwind of activities planned. Fifth grade will be going on a field trip, middle school will head off to Briarwood Rest Home to spend time with the residents there, our science fair will take place and then it's field day, finals and graduation for our eighth grade.

We will also be having a series of open house Thursdays in April and May. More information will come home the week we return from break. There are still a few open spots after our extremely successful re-registration; so if you know a family who may be interested in becoming part of our family please let them know they should contact us after break. Again, I wish you all a Blessed, Happy and Joyful Easter.

You are always in my prayers.
