"The best way to find yourself is to lose yourself in the service of others." Mahatma Gandhi

April 24, 2015

Dear Families:

Spring is a time of rebirth; and it can be seen in our students as they show a renewed energy and dedication to learning. For those of you who had the opportunity to attend the science fair, it was obvious that students took the opportunity to delve deep into their topic as they applied the scientific method to their experiments. I always swell with pride when I hear how well spoken our students are and comfortable they are with public speaking. This is just one example of how we work to have our students leave here well rounded.

Next week we celebrate a very exciting event in our school year...the first Communion of our second grade students. I ask that the entire school community keep these children in our prayers as they are able to grow even closer to our Lord, Jesus Christ.

Please be advised that on Friday, May 1, 2015 students may begin wearing spring uniforms. Please refer to the handbook for specifics. You will find coupons in your white envelope announcing several open houses in May. Please distribute them to friends and family that may have an interest in attending our school. As the year comes to an end there are so many events that will be happening and we would love if you were part of all of them. Please look for information in the coming weeks about field day, graduation, and the Mother and Father of the Year celebration to name a few. As always, I keep you in my prayers.

In His Peace,

Elena Malinconico  
Principal
