Do not lose courage in considering your own imperfections. **Saint Francis de Sales**

Dear Parents and Guardians:

It is my firm belief that we all make mistakes because we are imperfect. It is how we face our mistakes that help us grow closer to each other and closer to Christ. I ask students each day to be courageous and admit to their imperfections, learn from them and move on from there. As adults each of us does the same in order to be closer to the perfection that is Jesus our Lord.

I am amazed at how quickly the school year is moving by us. I had the chance today to eat breakfast with our Students of the Month. This is always a highlight of my week as I hear all about what is going on in their classrooms and their lives. We also celebrated Veterans' Day on Monday. The children did such an amazing job with their performance that our Veteran of the Year, Mr. Edwin Kolodziej was moved to tears. Next week we will be having conferences and two half days for students on Thursday and Friday, I look forward to seeing all of our St. Stan's parents. November 25th is picture retake day and club picture day; no gym uniforms should be worn. More information about pictures and Christmas can be found on line under the newsletter tab.

Finally, each class is preparing a basket of food for families in need this Thanksgiving holiday. This project was always a favorite of mine. When I was a homeroom teacher, students were excited to choose what they would bring in and delighted to see the baskets all tied up and ready to be sent to a family who would otherwise not have Thanksgiving. I encourage you to have your child participate in this very special project.

As always, each of you remains in my daily prayers, I am truly thankful for each and every one of you!

In His Peace,

Mrs. Elena Malinconico, Principal
