"Never be so busy as not to think of others." Mother Teresa of Calcutta

Dear St. Stan's Family,

As we approach the end of the first week of school, I am so inspired by the children of our community. They have embraced the new school year with open arms, minds and hearts. They have welcomed new members into our community and re-vitalized old friendships. There is a deep sense of caring throughout the school building that brings back the feeling of family that was missing all summer.

On Wednesday, September 9, 2015 at 6pm there will be a uniform swap, book fair and a meet and greet from our Home School Association followed by our Back to School Night program. You will get the opportunity to meet your child's teacher, see their classroom and understand what they do all day long. Please be sure to attend this very important event. In the weeks to come you will receive information about school pictures (9/17), a new parent's meeting (9/22) and middle school field trip information. Tomorrow students will see an assembly by the Partisi music company and have the opportunity to sign up for the after school music program, which they offer.

There is so much awaiting all of us this school year; learning, friendship and a relationship with God are just a few of those things. I pray that each student experiences the growth they deserve and of which they are capable; and I pray that they make mistakes so that deep learning can take place.

I keep each of you in my daily prayers. Should you ever need anything please do not hesitate coming to me and I will do my best to lend my help and support.

In His Peace,

Mrs. Elena Malinconico
Principal
