"What we think, we become." Buddha

March 2, 2017

Dear St. Stan's Families:

When I started as the principal here I knew that the generosity and love of the students, faculty and families here ran deep. Each time I reach out to you for help or aid my instincts prove correct. We recently had a fundraiser at Texas Roadhouse and through your generosity of eating there we raised over \$350.00. This will go directly to students (we are looking at outdoor play equipment). We have just begun our St. Jude's fundraiser and one week into it we have reached \$1300.00 of our \$4500.00 goal! As we begin the Lenten season, our students are already showing their spirit of sacrifice and alms giving!

Last night was our second annual Literacy Night. Over 50 students attended for an evening that was joyous, fun and educational. I want to express my deepest thank you to our teachers who take on this event out of the goodness of their hearts and for their love of their students. Enclosed in the white envelope (and it was sent out earlier in the week) we will be celebrating Math Madness Month and we have several great activities scheduled. Please read the flyer and encourage your children to participate.

Registration for the 2017-2018 school year has been robust with new families who are anxious to be part of our very special community. Please remember that re-registration is due back by March 31st as to not incur a late fee.

As we enter a time of preparation (Lent) for Easter I hope you will get the opportunity to join our school community on Fridays March 10, 17 and 24th for Stations of the Cross at 9am. My prayers for you continue each and every day.

In His Peace,

Elena Malinconico, Principal
