"Success consists of going from failure to failure without the loss of enthusiasm."

February 1, 2018

Dear St. Stan's Families:

As most of you know we have been suffering through a major bout of flu within our school. Based on our statistics, it appears we are successfully battling our way back and it seems that the amount of absences is waning. We will continue to do our part in disinfecting the school, as best we can, and I ask that if your child is sick you keep them home so they get well and no one else is affected. Another reminder, is that in the school handbook it specifically notes, that any student who is out of school for three or more days needs to have a doctor's note upon their return to school in order to be allowed back into classes.

Re-registration packets, B6T transportation forms, and text book requests forms were all sent home last week. The B6T forms and text book forms are due back 2/23 and re-registration is due back March 30<sup>th</sup>. Please be sure to return all of this paperwork in a timely manner. This week you will receive an envelope from the HSA showing you a recap of your work bond through the half way point. If work bond duties are not completed please remember there is a \$750.00 penalty. Should you have any questions or concerns about your recap please contact the HSA directly.

Finally, mid winter break dates were adjusted since the preliminary calendar. On February 13<sup>th</sup> we will be in session for a full day. February 14<sup>th</sup> we will be here on an early dismissal schedule. We will be out of school beginning February 15<sup>th</sup> and return on Wednesday, February 21. Please note that should there be another snow day between now and then, we will shorten the break and be back in session on Tuesday, February 20<sup>th</sup>.

As always, should you have any questions or concerns please contact me.

In His Peace,

Elena Malinconico, Principal
