"Empower yourselves with a good education then get out there and use that education to build a country worthy of your boundless promise."

January 11, 2018

Dear St. Stans' Families:

I am endlessly surprised and filled with pride daily by the students of our school. It is palpable, within our walls, how each of these students (even at the youngest of grade levels) understands the importance of taking what they learn within our walls and giving back to the community and those in need to help make our world a better place. From raising money for the MCA to making Christmas cards for children in the hospital, our students show a commitment to doing the right things over and over again. As we start the year, you will see more opportunities for our students and families to focus on; from a home for pregnant and homeless women and children to St. Jude's Children's Hospital to the Ozanam family shelter, these organizations will be the recipients of the time, effort and generosity of our students and families. Please look for information in this and future white envelopes about how we will be helping.

Next Sunday, January 21st marks the opening day of our Catholic Schools Week. Attendance at the 9am mass, in uniform, is expected. Following mass, the HSA will host a hot breakfast and we will be offering tours of our school for perspective families. If you know of any family who may want to become part of our school family, please encourage them to join us for this open house.

Please also remember that school will be closed on Monday, January 15th in honor of Martin Luther King, Jr. birthday. Here's hoping to no more snow so that we do not have to alter our calendar moving forward.

In His Peace,

Elena Malinconico
Principal
