"No winter lasts forever; no spring skips its turn."

March 23, 2018

Dear St. Stan's Families:

About now, I am wondering if winter could last forever! I hope and pray that we have seen the last of the snow but I am cautious about that. I will make an announcement about calendar changes after spring break. I will advise you, that *if Sunday's snow storm warrants a snow day, we will return to school on Thursday, April 5 and shorten our spring break. Here's hoping that does not occur! If that change needs to be made you will receive a Honeywell at the same time we cancel school.*

We will be in session on Thursday, March 29th with an early dismissal scheduled. There will be NO aftercare on this day. Upon our return from Easter break, the close of the third marking period will be on April 13, 2018 and we will begin our standardized testing on April 12th.

Finally, we rescheduled Literacy Night to April 25th. A new invitation is in this packet so please RSVP (if you are in grades Pre K-5) to hold your place for this event.

As Lent reaches the end and we come to the point where we joyfully celebrate Jesus' resurrection; my thoughts and prayers are with you and your families, as we welcome Jesus into our lives and celebrate the rebirth of the earth in spring!

In His Peace,

Elena Malinconico
