"A man without education is like a building without foundation."

November 9, 2017

Dear St. Stan's Families:

Education is truly a foundation that people can build their lives upon. A Catholic education may be considered the strongest foundation. As a Catholic school, we not only help children become well informed, independent thinking citizens, we model citizenship with compassion, values, and most importantly a love and trust in God.

We are excited and have been diligently preparing our Veterans' Day program and look forward to honoring Mr. Przybylowski as this year's Veteran of the Year! We hope you can take the time to join us at 9am and our Bishop Checchio in this celebration. Please note that for this assembly all students must wear their winter uniforms.

Next week on Thursday and Friday we will have parent teacher conferences. Thursday 11/16 they will be 1:00pm to 3:00pm and 4:45 to 7:00 pm and on 11/17 conferences will be held 1pm to 3pm. Please be here one half hour before the end time so we can be sure to accommodate all parents. A parent teacher conference is an important event in building a home school connection so that we can all work in unison towards the same goals for your children.

Please note that the week of November 20th is a three day week as we celebrate Thanksgiving! On November 20th we will have picture retakes as well as class and club photos; on November 22nd we will have our 9am Benefactors Mass and it is an early dismissal. Please note there is **NO** aftercare on November 22nd.

As always you remain in my prayers.
