- "Education is the most powerful weapon for changing the world."
Nelson Mandela

October 20, 2017

Dear St. Stan's Families:

In this world full of violence, protest and unkindness, I believe we are laying the foundation for our students to be the generation that not only uses education as the weapon to change the world, but they will use their faith to help make those changes! The generosity our students show on a regular basis is the seed of what their future holds. We are collecting items to be sent to areas devastated by Hurricane Maria. Specifics can be found in the electronic white envelope.

As Halloween approaches I want to list some items that all students and parents should be aware of:

1. The day will be a dress down day. Costumes should not be worn to school. Students will be given **time to change after lunch.**
2. The HSA provides a pizza lunch and a snack. If your child does not like pizza please send in a lunch for them.
3. Costumes should be appropriate for a Catholic school. Please pay attention to skirt/ shorts length, how low cut a top is, and that there is nothing inappropriate written on the costume. If we deem the costume unacceptable your child will be asked to change.
4. The Halloween parade for grades Preschool through 5th grade will begin at 12:15 at the front door of the school.
5. Please make sure students in the parade are not wearing high heels, carrying accessories for the parade, do not have a mask that will obscure their vision, and the length of the costume does not cause them to trip.

Finally please be aware that due to Mass and our half day schedule there will be **NO snack sale** on Wednesday, November 1st. Please send your child to school with a snack that day.

Sincerely,

Elena Malinconico, Principal
