"Talent perceives differences; genius, unity."

October 11, 2018

Dear St. Stans' Families:

As I see it, both talent and genius have marvelous perception. Just like the snowflakes in winter we are all so very different and God has made each of us this way to show the world our uniqueness. On the other hand, how beautiful it is to see a unity in all our differences ... the unity of being God's children. I encourage you to celebrate the differences in each of us but stand close as a family of God.

About two weeks ago we were notified that our milk company (who supplies milk and juices for lunch) would no longer be able to serve us. We have been looking high and low for a company to replace them; however it has not been fruitful due to our location or the size of our account. We no longer have milk in stock but will have water while we formulate a solution. I will keep you posted. Additionally, within the next two weeks I will be sending you a survey in reference to our lunch program and what you like and what you may want to see different.

Please remember that next Wednesday, October 17th is picture day and next Friday is our Coach Bingo fundraiser. Lastly, I invite all of you to join us in reciting the rosary and benediction each Friday at 9:00 am in church. It is a beautiful, meditative time to regroup and recharge each week. Our eighth grade students do such a lovely job in leading us in the recitation.

As always, you remain in my prayers and my door is always open should you need assistance.

In His Peace,

Elena Malinconico
Principal
