" Love yourself unconditionally just as you love those closest to you, despite their faults."

November 14, 2019

Dear St. Stans' Families:

Self love is something that seems conceited in a way but it is truly the basis for all the love we give in our lifetime. Love of self opens us open to love all of God's children and creations more fully. It is something that we strive to remind our learners each and every day. As we move towards the Thanksgiving holiday, I hope we take a moment to thank God for the beautiful gifts he has bestowed on each of us that make each of us unique and special.

Each of our homeroom teachers have requested a particular item and a \$1.00 donation for the baskets we are putting together for those in need this holiday within our parish. Please ask your child if they have not already told you what needs to be purchased. These items are due here by next Friday. On Monday, November 25th we will be having club and sports pictures for the yearbook. Students should wear their usual uniform and should bring their AA uniforms to change into.

In this week's white envelope you will find a sponsor sheet for the annual Polar Plunge. I hope some brave souls will be interested in participating and getting some sponsorships. One hundred percent of the pledges go to our school.

The week of Thanksgiving is a short week. On Wednesday, November 27th we have an early dismissal and there is NO aftercare. Please be sure you mark your calendar accordingly. A reminder that on Sunday, December 8th is our Christmas Bazaar and it is a mandatory work bond event so please sign up as soon as possible.

In His Peace,

Elena Malinconico, Principal
