"I can't change the direction of the wind, but I can adjust my sails to always reach my destination."

October 17, 2019

Dear St. Stans' Families:

Each year we set out on a course with our students, and as good teachers we must always be ready to adjust our sails to reach that prescribed destination with our students. As our students complete their MAP testing this week, we will take a look at the data and make the necessary adjustments to reach our destination. On Thursday, October 24th school will be closed, so our teachers can attend a professional development on how to analyze the data for each of our students.

On Wednesday, October 23rd we will have an out of uniform day. All out of uniform guidelines apply and we will be wearing red to celebrate some school spirit. This is an optional dress down day and the cost is \$3.00 per student if they choose to participate.

Please review the contents of this white envelope for information on our school cleanup program. Also, please note that Friday, October 18th is our Coach Bingo fundraiser. There are still tickets available. We hope you are able to join us, as this is one of our largest fundraisers of the year and a very fun event to be part of.

As always, my prayers are with you and my door is always open if you need anything.

In His Peace,

Elena Malinconico
Principal
