This year we will continue our participation in the annual Replenish Food Drive for Middlesex County. Today, reusable bags for each family will be sent home for the food collection. There will also be a certificate for your child to fill out and return to their teacher to show that they have participated. Please encourage your child to empty the bag into green containers that will be in the lobby and cafeteria, and keep the reusable bag. Thank you so much for your help in this very important Christian service project. Our donations help to feed so many families in need.

Finally, we are saying goodbye to Mrs. Mundy on Friday as she begins her maternity leave. We wish her a safe delivery, and cannot wait to meet Baby Michaela! May God bless Mrs. Mundy and her family during this joyous time.

You are all a blessing to St. Stanislaus Kostka School and continue to be in my prayers.

Warmest regards,

Lori Hodder
