

# HSA MONTHLY NEWSLETTER

## November 2024

### From the President

Hello Families! We hope you all had a fun filled Halloween! We all loved seeing the students in their amazing costumes parading through the grounds. We hope everyone enjoyed the treats and food provided by the HSA. You may have noticed, these first three months of the year are always our busiest!

As the leaves turn to gold and crimson, it's time for our HSA to 'gather around the table of gratitude!' We want to thank all our families for their generosity and help during our recent Coach Pocket Bingo – it was a super-successful fundraiser and we couldn't do it without you! With the weather changes, come opportunities for warmer activities and we have plenty lined up to keep you and your families engaged during the holidays!

In the coming week, we want to draw your attention to the Christmas Bazaar envelopes that will be shared with each family. Kindly pay attention to the requests in there – this is our 2nd largest fundraiser and it is one of our mandatory work bond requests as well. If you have any questions, please reach out to me directly.

Now, whether you're whipping up a pumpkin pie or figuring out that mystery in the fridge, let's create sweet memories and spread laughter – making our community cozy in the winter months! Happy Thanksgiving y'all!

### Thank You!!!

- Mrs McFadden & Lockwood for Coach planning and donation collection
- Fereno family – always saving the day with the sound for our events!
- All the families for donating baked goods for Coach
- The multiple workers (30 in total!) working Coach Bingo night
- Our parish members for your continued monetary donations to help our school and children
- To everyone joining our First HSA meeting 10/23 either in person or virtual!
