"The measure of intelligence is the ability to change." Albert Einstein

February 23, 2017

Dear St. Stan's Families:

Change surrounds us each and every day. The only consistency in life is the knowledge that change will happen. The changes we see in students as the year progresses, are ones that inspire joy and reinforce that a Catholic education with rich academics develops strong boys and girls. As we begin this long haul till Easter we have a very busy March ahead of us. Our Literacy Night is Wednesday, March 1st from 5:30 until 7:00, you will be receiving information about our Math Madness Month next week and as Lent begins our students will be attending Stations of the Cross to walk in the steps Jesus did as he gave his life for us.

I ask you to remember to return B6T transportation forms and text book forms by tomorrow. Also you will receive information about the St. Jude Math a Thon today. This is one of the activities for our Math Madness Month, we are asking for all students to return this by tomorrow and are encouraging you to use the online version of this fund raiser for an extremely worthwhile cause.

Thank you for your consistent and strong support of our school and our mission.

In His Peace,

Elena Malinconico
Principal
