Dear St. Stan's Families:

We are so lucky to be able to provide knowledge and information to our students; ultimately these things are the most powerful weapons in the world. The wonderful part of St. Stan's is that this knowledge is transferred in an atmosphere of love and family. We are a family of choice and when you ask students and parents what draws them to St. Stan's and keeps them here; they say it is the feeling of belonging and family. It is a magical place in that sense. On January 22, 2017 we will kick off our Catholic Schools' Week. We ask that students attend the 9am Mass in uniform and that students and families join us for breakfast after Mass. I ask all families to think of their friends and other family members who would benefit by being part of our educational family and invite them to join us for Mass, breakfast, and a tour of our school. I have once again included the list of events for next week for your information and I hope to see all our parents at the HSA meeting on Wednesday night.

In addition to the Catholic Schools' Week activity list a letter about bus delays was sent home to all Sayreville bus students, please be sure to read it for very important information. On February 15th we will be sponsoring our first Texas Roadhouse fund raiser. We will send home flyers and anyone who presents the flyer on February 15th, will help St. Stan's receive 15% of all dining receipts. I hope to see you there for a fun evening that will benefit the students of St. Stan's school.

Finally, the following link will take our families to a survey about our families. We are looking to gain some insight to our parents and their expectations for their children. I ask you take a moment and complete this survey. No identifiable information will be published and no one will review the results except the school administration. Survey Link: www.surveymonkey.com/r/G8G9HDK. Thank you for your anticipated participation.

In His Peace,
