"I believe in one God, the first and great cause of goodness. I also believe in Jesus Christ, the rebirth of the world. I also believe in the Holy Ghost, the comforter."

April 4, 2019

Dear St. Stans' Families:

The idea of the Holy Trinity is one that is intrinsic to our faith, three in one; each loving us completely and unconditionally! As we await the coming of Jesus again during this Lenten season, our students have been in prayer, making sacrifices and helping others to be witnesses to our Lord. We are reaching the home stretch before our Easter break and once we return, I promise it will be a race to the conclusion of yet another school year.

We will be celebrating our students' accomplishments this Friday in opening exercises and I hope you will be able to join us in that celebration as well as for first Friday 9am Mass. I unfortunately, will not be in the building on Friday since I will be at a principals' meeting scheduled by the diocese; but I have already extended my congratulations to all of our students.

On Wednesday, April 10th we are excited to have our science fair which will begin at 6:30pm. That day we also have a dress down day. As your children, may have already told you we have been cracking down on dress code to ensure that everyone is following it correctly. This applies to dress down days as well. If anyone comes to school not following the dress down day code you will be called to bring them appropriate clothes. The cost for this dress down day is \$3.00 and the funds will be set a side for two local girls who recently lost both of their parents.

Finally, on Monday, April 8th we will be hosting another open house for new families from 5pm to 7pm. I am asking that you spread the word and encourage prospective families to join us and see all we have to offer.

In His Peace,

Elena Malinconico, Principal
