## Summer Math Assignment

## Grade 6 going to Grade 7

This assignment is to be completed no later than
Friday, September 3, 2021, and late work after this date will not be
accepted. Students re-registering, regardless of the date of re-registration, will be responsible for completing the assignment. This assignment will be counted as a quiz grade in the first marking period.

Assignment: Students will work on 20 "starred" objectives on IXL. They must achieve a score of at least 95 on each objective. In order to spread out the assignment, students will complete 4 objectives in June, 8 in July, and 8 in August. If the objective is one that was previously assigned, and the student already earned a minimum of 90, they must continue working on that skill for a minimum of 20 minutes and still maintain a score of at least 90 . Your teacher will monitor your progress over the summer to ensure that all criteria are met. Please use the attached checklist as you go. Sometimes IXL changes the numbers, go by the topic name This is to be signed and handed in no later than Friday, September 3rd.
